

**SPAYING AND NEUTERING IT FORWARD**  
**A YEAR SPENT IN SERVICE FOR SPAY NEUTER ASSISTANCE PROGRAM OF GALLIA COUNTY**  
**December 2024**

Another year has passed, and we are so blessed to have the support of many people and small businesses in our community, enabling us to continue our efforts in reducing the number of homeless cats and dogs by spaying and neutering.

We are beyond grateful to French Town Veterinary Clinic and Kirkpatrick Animal Hospital for providing our organization with low-cost spay and neuter procedures. Our program is available to those who qualify (income-based), with an affordable copay, but we would not be able to provide this invaluable assistance without the help of our local, veterinarian partners.

**BY THE NUMBERS**

This year, 326 cats and 62 dogs have been spayed or neutered. Since September 2010, when SNAP was established, a total of 5,005 cats and 563 dogs have been spayed or neutered. Sadly, we've issued far more discounted vouchers, but people chose not to use them. Despite this, our successes inspire us to push on, providing a community service to reduce the needless suffering of animals.

**HOW YOUR DONATIONS ARE SPENT**

We pride ourselves on spending the vast majority of donations on veterinary costs, and little on anything else. How is this possible? We have no paid employees; our website is managed at no cost; we have no telephone or vehicle; a volunteer donates their computer, and printer for office needs.

The income we receive consists of donations from individuals and businesses; yard sales; bingo and other small fundraisers; Gallia County Charitable Foundation; and a grant from the Ohio Pet Fund, made possible by additional money paid by those purchasing a pet license plate in this state. If you live in Ohio, you can get a "Cat Friendly," "Dog Friendly", or "Pet Friendly" license plate. It's only \$25 extra when you renew your plates and that money goes into a special fund specifically for spaying and neutering. The fund has helped to spay and neuter thousands of pets in Ohio over the last 15 years. We have applied for this grant for three years and have been awarded funds. It's just another way you can help reduce the number of unwanted dogs and cats. You can get your plate at the Bureau of Motor Vehicles or at [oplates.com](http://oplates.com).

**HOW TO CONTACT US**

If you need to send us an email, you may go through our website: [snapofgalliacounty.org](http://snapofgalliacounty.org). Donations can be mailed to PO Box 86, Gallipolis, Ohio, 45631 or made on our website. Follow us on Facebook for the latest information on fundraisers, community outreach and general updates.
